

Lawn Care Packages

1) The "BASIC"

- Round #1: Crabgrass Pre-Emergent (Late February-Mid April)**
- Round #2: Broadleaf Weed Control (April-End of May)
- Round #3: Early summer Fertilizer and Broadleaf Weed Spot Spraying (June)
- Round #4: Mid Summer Fertilizer and Check Up (July-Mid Sept.)
- Round #5: Fall Fertilizer and Broadleaf Weed Control (Sept.-Nov.)

*Terms of "Basic": Program does not treat for pests, insects, fungus or most grassy weeds and a preventative insect control treatment is highly recommended. Green King Co. is not responsible for any damage that is caused if you improperly select programs.

2) The "ELITE"

- Round #1: Crabgrass Pre-Emergent (Late Feb-Mid April)**
- Round #2: Broadleaf WEed Control/Second Pre-Emergent Application (April-End of May)
- Round #3: Early Summer Fertilizer and Broadleaf Weed Spot Spraying
 - Preventative Insect Control (June)
- Round #4: Mid summer Fertilizer and Check Up (July-August)
 - Herbicides and Insecticides will be applied as needed
- Round #5: Early Fall Fertilizer and Broadleaf Weed Control (Sept-Oct)
- Round #6: Late Fall Fertilizer, often called "Winterizer" (Oct-Dec)

3) The "VISION"

- Same as "Elite" PLUS: One Fall Lawn Aeration & Overseeding
- This is a "No-Worries" program. Any lawn damage that occurs as a result of our service will be repaired for free, no questions asked.

**Crabgrass Control is not 100% guaranteed with Basic or Elite Programs, but Post Emergent Treatment is available at an additional cost if necessary.

Note: Insect Control (Grubs, Chinch Bug, Billbug) treatments are available as an Add-On service to the "Basic" Program.

We Offer
