

Lawn Care Packages

1) The “BASIC”-CD5

- Round #1: Crabgrass Pre-Emergent (Late February-Mid April)**
- Round #2: Broadleaf Weed Control (April-End of May)
- Round #3: Early summer Fertilizer and Broadleaf Weed Spot Spraying (June)
- Round #4: Mid Summer Fertilizer and Check Up (July-Mid Sept.)
- Round #5: Fall Fertilizer and Broadleaf Weed Control (Sept.-Nov.)

*Terms of “Basic”: Program does not treat for pests, insects, fungus or most grassy weeds and a preventative insect control treatment is highly recommended. Green King Co. is not responsible for any damage that is caused if you improperly select programs.

2) The “ELITE”-CD6

- Round #1: Crabgrass Pre-Emergent (Late Feb-Mid April)**
- Round #2: Broadleaf Weed Control/Second Pre-Emergent Application (April-End of May)
- Round #3: Early Summer Fertilizer and Broadleaf Weed Spot Spraying
 - Preventative Insect Control (June)
- Round #4: Mid summer Fertilizer and Check Up (July-August)
 - Herbicides and Insecticides will be applied as needed
- Round #5: Early Fall Fertilizer and Broadleaf Weed Control (Sept-Oct)
- Round #6: Late Fall Fertilizer, often called “Winterizer” (Oct-Dec)

Grub Control is offered as an Add-on service to the Basic and Elite.

***Vision Program has been terminated. All Lawn Aeration/Overseeding is offered upon request and will be quoted separately.**

**Crabgrass Control is not 100% guaranteed with Basic or Elite Programs, but Post Emergent Treatment is available at an additional cost if necessary.

Note: Insect Control (Grubs, Chinch Bug, Billbug) treatments are available as an Add-On service to the “Basic and Elite” Program.

We Offer
